PROFILE

With 7 years of hands-on experience in the dynamic field of front-end development, I have honed a robust skill set that includes mastery of React.js, Next.js, Strapi and WordPress. I am passionate about creating immersive 3D experiences using WebGL, Three.js, and GSAP, with practical experience in Strapi JS a leading headless CMS.

- Responsive Web Design & E-Commerce: Expertise in responsive web design, eCommerce development, and quickly analyzing and fixing UI bugs.
- Code Optimization: Proficiency in optimizing code to improve performance.
- Extensive experience working in Scrum environments, utilizing JIRA, and following agile methodologies.
- UI/UX Design & Graphic Design: Hands-on experience in UI/UX design, graphic design, and mockup creation using tools such as Figma, Adobe Photoshop, Adobe XD and Illustrator.
- 3D Elements Creation: Practical experience in creating 3D elements using Spline and implenting seamlessly in websites.
